

BIOGRAPHIES & ANECDOTES CLASS OF '65 & FRIENDS

As part of our lead-up to the 50th anniversary, please start sending short bios (voluntary, but we'd love to have them) and memories of things going on in the world, community and school during your time at North Van High. Maybe include hobbies/sports/clubs/ a car you drove/music you liked/fads & fashions/first dates...etc?

Note the format of the one Laurel Chamberlin (Gurnsey) has just submitted. **Do not exceed one page. Send as a Word doc**, to lgurnsey@telus.net. We'd love a 'now' photo too. Tom Bell and Laurel will preview, collate and send everything on to the website.
